Company activities, products and services: law firm - legal services, legal representation

(max. 10 lines)

Becker a Poliakoff, s.r.o. in Prague primarily provides services in the areas of commercial, civil, construction, administrative, environmental (including related fields of law), international, labor and gaming law.

We are looking for: clients, cooperation

(distributors, clients, partners for joint-ventures, co-operation, etc.)

We would like to establish working relationship with local law firms, tax advisors and accounting firms. Our goal is to find strong local player, not necessarily a member of global network, with good reputation, scale of its partners who are well connected to business community as well as having strong governmental relationship. Our intention is to have a reputable partner with whom we should serve to our clients if they decide to enter local market. We are member of Consulegis (www.consulegis.com) network, which is an opened international network of medium size law firms. As a member we are entitled to seek for new members. We are serving several clients who are recognizing potential of this as well and that is why we decided to join the delegation to fulfil above mentioned mission – it means – to find local partner in law business.

I would like to meet following partners, contacts:
