Company activities, products, and services:

Architectural and design office providing complex services ranging from site search and assessment, urban and architectonic studies all the way to complex project documentation for new buildings and refurbishment project. We focus on industrial and logistic sites, office buildings, shopping malls and residential buildings.

We provide our services to major Czech companies (Škoda Auto, FARMET, KASPER KOVO etc.) as well as to foreign corporations (Kimberly-Clark, CIE Automotive, MESA parts, Kautex Textron etc.) with operations in the Czech Republic. Our projects have been implemented in many countries and currently we are working on projects in Austria and Slovakia.

We are looking for:

Our company is currently working on a project involving a hall for horse polo with a hotel, a Czech restaurant, and a microbrewery in the neighbourhood, we are preparing other microbrewery projects including technology and Czech restaurants. We would like to offer our experience to other investors and companies planning their projects in Mongolia.

We would be more than happy to assist in preparation of Czech investments in this territory and co-operate with local architects and designers.
