Nr	Company name	Participant	Position	Profile	Looking for	Web
1	Ateliér Tsunami, s.r.o.	Aleš Krtička	Managing Director	<p>Architectural and design office providing complex services rating from site search and assessment, urban and architectonic studies all the way to complex project documentation for new buildings and refurbishment project. We focus on industrial and logistic sites, office buildings, shopping malls and residential buildings. We provided our services to major Czech companies (Škoda Auto, Česká pošta, FARMET, KASPER KOVO etc.) as well as to foreign corporations (Kimberly-Clark, CIE Automotive, Pewag, Schafer-Menk etc.) with operations in the Czech Republic.</p> <p>Our project have been implemented in the Netherlands and currently we are working on projects in Austria and in the Russian Federation.</p>	<p>We prepared the design of the facade of the TVET Vocational School in Erden, which was supplied and installed by the Czech company CONTECHIN; we also prepared a study of the indoor Polo Arena including a microbrewery with a restaurant and a hotel near Ulaanbaatar</p> <p>We would like to offer our experience and co-operation to companies with projects to be implemented in Mongolia. We would be more than happy to assist in preparation of Czech investments in this territory and co-operate with local architects and designers.</p> <p>Developers, representatives of municipalities/cities, architects</p>	<p>www.atsunami.cz</p>

2	Argon s.r.o.	Petr Zeman	Executive, Owner	<p>We are a development company that focuses on the construction of commercial real estate. We prepare and implement the construction of shopping centers (3,000m2 – 10,000m2) and fast food facilities in the Czech Republic. We cooperate with KFC and Burger King, for which we have built several fast food restaurants.</p> <p>We provide complete financing for construction mainly through our own funds and banks. In the case of large-scale projects, our partners also participate in the financing</p>	<p>In Mongolia we are currently looking for contact for the owners of food chains of supermarkets and hypermarkets (e.g. Nomin, Orgil, Emart, Sansar, Touten hypermarket, etc.) and also for representatives of non-food brands (drugstores, clothes, shoes, etc.). We are also interested in contacting the operator of the KFC and Burger King brands in Mongolia. In Mongolia, we will cooperate with our long-time partner FINEP on the preparation and construction. They have already built approx. 1000 apartments in Mongolia since 2013 and thus know the local customs .I would like to meet following partners, contacts:</p> <ul style="list-style-type: none"> • Representatives of banks that support the financing of development projects • State officials who are responsible for leasing 	-
---	--------------	------------	---------------------	--	---	---

4	Cayman Pharma, s.r.o.	Petra Miketová	Managing Director	<p>Cayman Pharma is one of the most reliable and versatile source for cGMP Prostaglandin Active Pharmaceutical Ingredients (APIs) approved on all key global pharmaceutical markets. Prostaglandins are used for synchronization of estrus cycle in domestic animals, thus, improving the reproduction rates. CLOPROSTENOL, most often used product for this indication, is used in veterinary medicine as a luteolytic agent for the induction of estrus and the treatment of reproductive disorders in cattle, swine, and horses. Cayman Pharma provides Cloprostenol as sodium salt in racemic mixture, sodim salt of d-Cloprostenol and free acid Cloprostenol. Also, Cayman Pharma is capable of supplying Alfaprostol, a novelty agent with similar indication in cGMP quality.</p>	<p>Cayman Pharma is looking for partners in pharmaceutical distribution chain (importers), veterinary workers, and distributors of pharmacueticals on local market. The aim of this visit is to get contacts for people responsible for introduction of artificial insemination program in Mongolia using drugs that help synchronization of estrus cycle and result in increased reproduction rates. Also, a meeting with workers from School of Biological Resources and Management, Mongolia State University of Agriculture, Khanuul District, Zaisan Ulaanbaatar would be highly appreciated (Mr. Tumor Baldan).</p>	<p>www.caymanpharma.com</p>
