MANDAM is a Polish manufacturer of agricultural machinery.

**Mandam is a family company with Polish capital,
having more than 30 years of tradition
in agricultural machinery production.**

We employ almost 150 people at two production plants.

**We specialize in disc harrows, heavy cultivators,
chisel plows and subsoilers, as well as on cultivation rollers.**

**All the machines we produce are sold through out our retail network,
in 34 countries, on four continents.**

since 1991

warehouse

Your business partner.

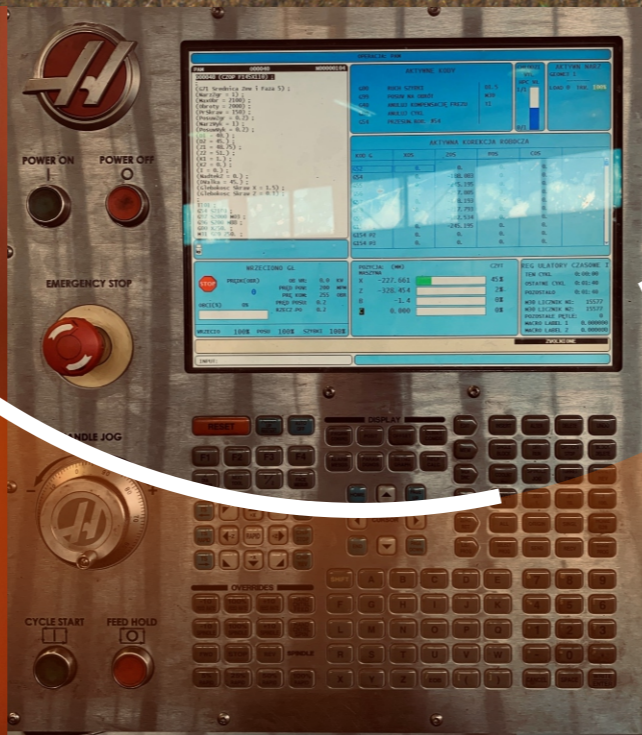

- more than 30 years on the market
- experienced staff
- custom and OEM design
- low volume series

Quality

- multi-stage control
- advanced welding control
- certified quality grade steel
- selected suppliers

- ### Technology
- 3d CAD design (CAD)
 - robotic welding
 - CNC machining, laser and plasma cutting
 - advanced powder coating technology

 **mandam**

rollers

DISC HARROWS

GAL / TAL / SAL

- 25 models to choose from
 - 5 year warranty
 - maintenance-free hubs
 - boron steel plates
- rubber or spring protection
 - hydraulic folding
 - trailed or carried

2,5 - 12 m

80-450 hp

1400-8500 kg

TINE CULTIVATORS

KUS / TOP / SPEC / RHINO

- spring protection
- large frame clearance
- quality wearing parts
- maintenance free hubs
- high grain steel
- for no-tillage farming

2,2-6,0 m

60-320 hp

800-8000 kg

ROLLERS

MWC / MCB / STAR

- high quality iron casts
- few patterns available
- few sizes to choose from
 - hydraulic folding
 - ground copying
 - floating hitch
- carried or trailed models

1,5-12,3 M

60-180 hp

750-7200 kg

SUBSOILERS / CHISEL PLOUGHS

MG / MGX / MGP / GROT

- hydraulic protection
- wide adjustment range
- work up to a depth of 65 cm
- various working elements
- adjustable studded rollers
- reinforced steel frames

1,0-6,0 m

60-260 hp

280-3200 kg

TINE WEEDERS

MBS / HYBRO / EKO-FINGER / EKO-WIR

- different types of tines
- hydraulic adjustments
- additional disc coulters
- versions for meadows and stubble
- for organic crops

3,0-12,0 m

40-130 hp

610-1850 kg

KNIFE ROLLERS

WN / WN TANDEM / WN TANDEM HD

- single or tandem
- three types of knives
- knives made of hardened boron steel
- front or back tractor assembly

3,0-6,0 m

30-120 hp

525-1980 kg
